

Local Politics Matter

# Millennials Against Hillary...Please

## Got to Have it Now

### Millennials Less Interested in Politics Than Older Generations; Talk About it Less Than Baby Boomers

All I hear are the pundits saying that Hillary does not connect with young female voters...Hillary does not connect with young voters...Hillary needs to get a clear message out to Millennials. Well, it seems to me that the media is running the campaigns. Young ladies may I remind you how long Hillary has been in the game. May I remind you that your fathers would prefer Hillary in the kitchen, pregnant and barefooted. Your Dads hate the fact that Hillary is smarter than they are and has the scars to prove it. It sickens me to think that the "me, myself and I" group cannot pay homage to the trailblazer, Hillary Rodham Clinton. She has taken every blow that the white male establishment has thrown and she is still standing. I think she is the world champion of the

political boxing match. Bring it on. Next! Another thing, this trust stuff! Joe Scarborough makes sure that the word trust, comes up every morning and that mealy mouthed Mika Brzezinski just sits there and lets him rant about Hillary. This is the same Mika who goes around town, telling women to know their value. What a HYPOCRITE. I used to like Mika but now that she bashes Hillary in every way she can, just to keep her job (you know the go along to get along group). What happened to I am woman hear me roar...I will survive. Hillary has been through the ultimate embarrassment when her husband cheated. Lots of men cheat... There's only one left Barack Obama...Jessie did it, Bill did it, and many in Congress have done it or are doing it... so did my father. Those folks who continue to smash her face in her hus-

band's mess are cold and lack empathy. What woman wants to be reminded of infidelity every day of her existence, like it was her fault? All you Christians... he who is without sin cast the first stone...yeah that's what I thought. What do you mean can Hillary be trusted? Is she going to run away with the national treasure like the Republicans did? Is she going to steal from your Social Security like the Republicans have promised? Trust, what do you mean? We trusted Dubya and he led us to war, and picked a fight because someone threatened his Daddy. Now look at us the whole family gotta fight. Watch your back. It's not over. Hillary's like that

punching bag with the sand in the bottom...punch, bounce back, punch, and bounce back. Right now nobody has the pin to put a hole in it. [Millennials](#), where were you when Hillary was fighting for you...still drinking Similac, and now you want to switch to Enfamil...give me a break.

"pride that demands that you take care of yourself, your family and your community, the kind of pride that makes you say it loud, "I'm Black and I'm proud", and know exactly what it means.
